

2ª Masterclass da Primavera

LITÍASE BILIAR – DA GENÉTICA AO TRATAMENTO!

3 ABRIL 2025

09h00 | Session I: Biliary Basics (Anatomy, Physiology and Imaging)

Moderadores: **Guilherme Tralhão, Catarina Tavares**

09h00 Biliary anatomy - from the dissection table to the surgery - **António Bernardes**

09h30 Physiology of Biliary excretion and gallstones development - **Carlos Soares**

09h45 Ultrasound and MRCP in Biliary Diseases - **Catarina Ala Baraças**

10h00 Endoscopic ultrasound - **Michael Tischendorf**

10h30 | Session II: Genetic cholestatic liver diseases

Moderadores: **Filipe Andrade**

10h30 Genetic testing for cholestatic liver disease - **Maria José Simões**

10h45 Disease manifestations in genetic cholestatic liver diseases - **Sara Lemoinne**

11h00 Pruritus management - **Verónica Guiomar**

11h15 -11h45h | Coffee-break

11h45 | Session III: Management of Gallstones and Biliary stones

Moderadores: **Jorge Daniel, Gil Faria**

2ª Masterclass da Primavera

LITÍASE BILIAR – DA GENÉTICA AO TRATAMENTO!

11h45 Asymptomatic gallstones? To do or not to do? - *Tiago Ferreira*

12h00 Strategies for cholecystitis and cholangitis management

Cholecystostomy tube and percutaneous access - *Frederico Cavalheiro*

Timing for cholecystectomy - *Rui Costa*

12h30 Intraoperative cholangiogram? Ever, never or in between? - *Daniela Sá Leão*

13h00 -13h30 | Cerimónia de Abertura

Convidados: *Prof. Taveira Gomes - Presidente CA ULSM; Dra. Ana Veloso - Directora clínica da ULSM; Prof Guilherme Tralhão - Presidente SPC; Dra. Maria da Luz Loureiro – Vice-Presidente Da Secção Norte da Ordem dos Médicos; Dr. Carlos Mouta - Vice-Presidente da CMM*

13h30 | Almoço

14h30 | Conferência não médica: *Pedras, para que vos quero?*

António Casal Moura

15h00 – 16h15 | Session IV: Management of complex patients

Moderadores: *Luís Graça, Eduardo Eiras*

15h00 Strategies for synchronous gallbladder and biliary tract stones:

ERCP + surgery or intra-op ERCP - Débora Aveiro

Surgery with intra-operative exploration of the bile duct - Jaime Vilaça

Can ICG replace IOC? - Vitor Simões

2ª Masterclass da Primavera

LITÍASE BILIAR – DA GENÉTICA AO TRATAMENTO!

15h45 Benign biliary strictures, iatrogenic lesions and biodegradable biliary stents - **Paulo Donato**

16h15-16h30 | Coffee-break

16h30 – 18h00 | Session V: Biliary emergencies

Moderadores: **Pedro Soares Moreira, Ana Mesquita**

16h30 Acute cholangitis:

*The role for emergent ERCP in cholangitis - **Sandra Correia***

*Antibiotics? When, which and how? - **Cristina Soeiro***

*Surgical treatment? Never an option? – **Nuno Machado***

17h15 Acute pancreatitis:

To drain or not to drain:

Percutaneous - **Catarina Tavares**

Endoscopic - **Sónia Fernandes**

Still a role for surgery:

Open - **Renato Bessa Melo**

Mini-invasive – **Wilson Malta**

18h30 | Adjourn

2ª Masterclass da Primavera

LITÍASE BILIAR – DA GENÉTICA AO TRATAMENTO!

4 ABRIL 2025

09h00 – 10h30 | Session VI: Approach to The Complex Patient

Moderadores: **Pedro Costa Moreira, Mário Bibi**

09h00 Role of endoGI in Complex Stone Management and pancreatitis-related complications - **Tiago Leal**

09h15 ICU: Controversies in the Management of Biliary Pancreatitis - **Sofia Monteiro**

09h30 Cholecystitis in complex patients:

Frail patients - Rute Cruz

Cirrhotic patients - Donzília Sousa e Silva

10h00 Interventional Strategies for the Chronic Pancreatitis Patient - **Luís Lopes**

10h30 - 11h30 | Relieve procedures (EUS / ERCP / Bile duct exploration).

Comentadores: **Gastroenterologia, Hepatologia, Cirurgia**

11h30 - 12h00 | Coffee-Break

2ª Masterclass da Primavera

LITÍASE BILIAR – DA GENÉTICA AO TRATAMENTO!

12h00 - 13h30 | Session VII: Hepatobiliary Cancer

Moderadores: **Taveira Gomes, Presa Ramos**

12h00 Evaluation and Management of Gallbladder Polyps and Incidental Cancer During Cholecystectomy - **Ricardo Martins**

12h15 Oncologic resection of Gallbladder cancer. Is there a role for minimally invasive surgery- **Safi Dokmak**

12h30 Biliary cancer risk and screening in cholestatic liver diseases - **Mohammed Bouattour**

12h45 Biliary tract cancer systemic therapy - **Catarina Fernandes**

13h30 | Adjourn
